Sir:

During a telephone conversation today with Examiner Patel, applicants were informed that the present application was allowed on May 1, 2007. However, due to an internal administrative error (unknown until today), the Notice of Allowance was not mailed in early May. Rather, the Notice of Allowance appears to have been internally lost at the Patent Office.

Applicants are attaching a copy of the Notice of Allowability that was forwarded today by Examiner Patel. During the conversation, Examiner Patel stated the application was allowed and that applicants need not file any extensions of time in order to maintain pendency of this application.

In view of the above, applicants are not filing a Petition for Extension of Time and/or Notice of Appeal to maintain pendency. However, should for some reason, this application

Serial No. 09/853,044

Docket No. CIT/K-0146

appear abandoned in the Patent Office records, then applicants maintain the right to maintain pendency of the application in view of the Patent Office error.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 and/or Notice of Appeal is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 16-0607 and please credit any excess fees to such deposit account.

Respectfully submitted,
